Story

Salutt is back with exciting updates! Version 1.0 is now free to download on the App Store and Google Play, but we're here on Kickstarter to bring you something even better—Salutt 2.0.

What's the Buzz About Salutt 2.0?

The demand for our next version has been overwhelming. Salutt 2.0 introduces enhanced safety features to give users peace of mind and our innovative *Love Compass*, making real-life matches instant and effortless. Users agree—Salutt feels refreshingly different, in the best way possible.

Why Salutt Stands Out

Unlike some dating apps that prioritize profits over people, Salutt is committed to helping singles find genuine love. We know we're the underdog, but we're here to shake up the game. With the Salutt2.0, there's no need to swipe through endless profiles. Our Love Compass guides you to nearby singles in real life, anytime, anywhere.

We may not have all the answers or millions of downloads (yet), but we're here to try—to really try—to help you find love. Join us in making Salutt 2.0 a reality!

However, our competitive advantage lies in being small, fast, and agile—
