Story

FlyPenny is the most social and fair loyalty system that has ever existed in the world! FlyPenny participants do not care where you received thanks, if you received, then you deserve it. FlyPenny balance for discounts when paying for goods and services will be welcomed by participants of the FlyPenny system - shops, gas stations, ticket offices, cafes, fitness, any retail outlets. From 5 to 99% of the amount of your payment will be debited to the accumulated gratitude FlyPenny. Remember that you are truly respected only where your merits are taken into account, even if they were achieved in other places of your stay.

Funding period

Jan 26 2020 - Mar 3 2020 (37 days)

Since the FlyPenny project is new and is still self-financing, I need funds for the development of the project today: this includes paying for SMS-confirmations of registration of new participants in the service and paying for the development of the FlyPenny mobile application already available on GooglePlay and AppStore.

Risks and challenges

The main risks of the project are inadequate marketing.
